Why Sign up with Capt. Pete's Diving Outfitters?

-Professional staff that have 2 priorities...keeping you safe by teaching you what you need to know while under expert supervision and giving you a fun experience!

We are here to help and our beginner course offers you a safe and exciting introduction into the underwater world.

Do all four checkout dives from a boat, including a drift dive in Rainbow River and a Manatee experience in Crystal River after your skills are complete! This is a start to a lifelong adventure!

Here's what you need to know (ask us for detailed class schedules or find them on our website):

Course includes: classroom sessions, pool sessions, and 4 open water dives

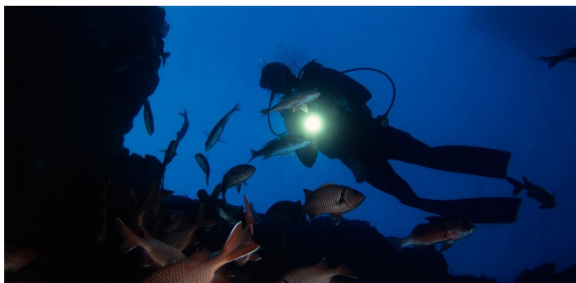

We provide use of: tanks, regulators, dive computers, and buoyancy compensators

Personal equipment required: mask, fins, snorkel, weight belt and weights, safety sausage (surface marker buoy), and a pair of silicone mouthpieces (go on regulator, these are what you bite down on).

Personal wetsuit recommended or they can be rented for the dives from the boat operator.

Classroom portion may be done online without books but in-person classroom is recommended.

**Must be paid in full to sign up. Space is limited, sign up in advance to reserve your space!**
